

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions, and listings, of claims in this application.

1. - 12. (Canceled)

13.(Currently Amended) The method of ~~claim 12 wherein~~ claim 16 where each of the plurality of logged events is displayed in the graphical format as the graphical symbol, and at least one event being selected in the graphical format comprises at least one of the graphical symbols being selected in the graphical format.

14.(Currently Amended) The method of claim 13 ~~wherein~~ where the graphical format defines a first axis representing time in consecutive discrete time intervals and a second axis, wherein a first and second logged event occurring within a common discrete time interval are displayed as discrete boxes stacked along the second axis.

15.(Canceled)

16. (Currently Amended) A method for manipulating a display of a plurality of events logged in a database comprising:

for each of the plurality of logged events, displaying at least a first portion of the logged event in a tabular format and at least a second portion of the logged event in a graphical format;

in response to at least one event being selected in the tabular format, changing the display of the corresponding at least one event in the graphical format;

in response to at least one event being selected in the graphical format, changing the display of the corresponding at least one event in the tabular format;

filtering the plurality of logged events by a filter criteria entered within the displayed tabular format, where the filter criteria comprises a user text entry and a user selection from a fixed pulldown list of options; and

displaying the logged events that pass the filtering and the logged events that do not pass the filtering in both the tabular format and the graphical format while automatically distinguishing by a displayed distinguishing indicia the logged events that pass the filtering from the logged events that do not pass the filtering in both the tabular format and the

graphical format; and

displaying, in the graphical format, the logged events that comprises an alert requiring a user input with an indicia identifying the event as an alert and also the logged events that do not require an alert without the indicia, where the indicia comprises at least one of a shape, color, contrast and outline of a graphical symbol.

17.(Canceled)

18.(Currently Amended)

The method of ~~claim 12~~ claim 16 further comprising:

prior to an event becoming a selected event, displaying a tooltip proximal to the event in the graphical format that includes at least a text entry of the first portion of the event from the event log.

19.(Currently Amended)

The method of ~~claim 12 wherein~~ claim 16 where changing the display of the corresponding at least one event comprises highlighting the corresponding at least one event.

20. – 24 (Cancelled)
